It is the lateral trust.

Toministrative of the Literal trust.

Toministrative of the lateral trust. JOHN W. CROCKETT. W. S DOWNEY. SATURDAY, SEPT. 13, 1856.

The Daily Journal has much the argest circulation in the city and double the circulation in the country of any other daily paper printed in Louisville; and the Weekly Journal has much more than double the circulation of all the they will not be. And there is no earthy reacher weekly papers in Louisville put aon why they should be.

they will not be. And there is no an about the circulation of all the they will not be. And there is no an why they should be.

For, beyond all doubt, the election of Mr.

For, beyond all doubt, the election of Mr.

Fillmore would be just as unavoidably followed by the most cheering and anypicious results.

Local they will not be. And there is no an why they should be.

For beyond all doubt, the election of Mr.

Fillmore would be just as unavoidably followed by the most cheering and anypicious results.

Local they will not be. And there is no an why they should be.

For local they will not be. And there is no an why they should be.

For local they are the continued prosperty.

The man and prosperty.

The man are the continued prosperty.

The ma ago we said that there was and could be no doubt in the minds of well-informed political observers that Mr Buchsnan, if elected to the Presi ency, would make the acquisition of Cuba the learning question of risvery would be completely as a manufacture of the complete would be composed, the angry sectional judousies of the composed, the angry sectional judousies of the composed would be composed. the learning object of his administration. We bave no dea that anybody who read the declaration do bted it, but, if anybody did, he has probably since found reason to dismiss his subt. If he hasn't, we shall give him abun- coursing vigorously cace more from the lea throughout the extremities of the ration. Redant reason to do so now.

The letter of the Hon. A. G. Brown, of Mis- tored to the condit or of profound tranquisty sestippi, one of the committee who waited upo-Mr. Bucharan to give him formal notice of his remitation, has now been some weeks before the public. Its accuracy is unimpeached and unimpeachable. It is now to a dealerst and the present the public of the condition of present o unimpeschable. It is, next to a declaration known before. Peaceful and prospercus at home, it would regain its lost position abroad. aty as to Mr. Buchanan's personal views. Its opinions and sentiments are recorded hot from public would be redeemed and regenerated his lips. They are scrupulously authentic And it would never receive detiment at his And among them is the following in relation to hands. At once the embodiment of conservathe acquisit on of Cuba:

Here ben it is, turned into black and white than expend the nation, and exalt it in any form Mr. Buchstan's own mouth. He ac event. Taking the path of honor, he would knowle ges that the acquisition of Cuba is not hasten slowly, with his eye on the past, and h. only very desirable now, but likely to become heart upon the future. Fellow citizens, in the a national necessity, and that, if, in the event name of national faith, and decency, and prosof his election, he should be able to crown the perity, take him! achievements of his administration by adding Cuba to the Union, he would be willing, Simeon-I ke, to give up the ghost. The country, therefore, is no longer left to speculation upon this several points in the South an Southwes' compoint. It is told directly and explicitly when to expect. It is no longer permitted to doubt.

In additi n. however, to the authentic memo- ladiana a coalition with the free-soflers upon ra m of Mr. Buchanan's statement to the the electoral ticket in that State. This is fucommittee, we are enabled to cite the corrobo mous, outrageous, and damnable falsehood and of heature's, a member of the Circinnatic on the traced to the Nashville Ution and American, the leading Buchanau organ of the trace of his party. We are assured, upon a mustakable nubbrity, that the Iton. Charles Fatnot, but so steeped and so sked and taired a mustakable nubbrity, that the Iton. Charles Smelly, of Mercer, the gentleman to whom in rescality has the Union and American be we a lide, dreised in a late speech at Frank-fort the t, to ching the question of territorie; has been published in the same city, we have acquisition, it was the policy of the Democratic 10t yet seen in its column any acknowl dear y, ee annou ced in the Cinci nati platform ment of its having been in error in making b and understood by the convention, to so con- publication. We have not room to-day for uct the Hovernment of the United States as to full exposition of this ra-cality. We will give untimately absorb the whole of North America, it in our next p per. In the mean time we ce only warn our friends everywhere to bewele C be, and pa irg o, in the wake of revoluthe gradual abortion of Nicaragua, Costs [art] are en'trely de perste, an we have to Rica, and the other Central America. Sates, doubt that from now ustil Novamber they w. ... thus onward until the entire continer rivil and r I some liberty! Such, he asserted. ide. He added, amidst the warr app ause of his audience, the we ough' to bave or them by torce, and ought to do it. He said

that this was o e of the reasons why he sup-The simplicity of this whole confession i and revolting. It is seventheless authoritative It is re. 7 nothing but a plain commentar pro the Cincinnati pletform. It is simply the great development of Mr. Buchanen's pre nues. 1 18, andeed, but a familiar paraphras of Mr. Bucherar's own language. It is the son. It i beyond dispute the actual policy of indisputable fact, what will be the inevitable is a pregnant question, which every of year prozches the ballot-box. Our own answer by dead y civil strife, resulting in speed national decay and dissolution. elected, and doesn't prove false to his publi as we I as all his antecedente, a stretch of a cre ney which would scarcely pay and I therefore not to be imagined, these appalling consequences will follow as certainly as the

The American meeting on the Point lest them go, as mot of them were from Northern Saves. Our informat's were four in the first two of whom were introduced. They were set in from Sala Fe.

The countil free are kept brightly burning in the effect Kation. The Americans there are full of patricia ardo: and confident of the successful their conditions. ce s of their candidates. The meeting was ad- 2433: by the proprietor of the Union Hotel.

The only danger is that those who visit Mrs. N's store will find so much to admire that they will be at a loss what to select from the housatids of spleadid articles.

AMERICAN SENTINEL .- A prospectue for a

merman. We hope his paper will be well sustained.

We were pleased to see, yesterday. Mr. Glenn, et he Nashville Parlot. Mr. Place has he decalf thave had long experience in hotel keeping, one at the Galf and the older at the Lourruile in this city. The Spencer is en elegant house, tastefully and comfortably formabled, and conveniently arranged, with all the modern improvements. The table is ever supplied mast bountifully with all the substantials a Kentucky farmer can wish and all the delicacies the pallate of an epicure can suggest. The reversal as promptly gratified. There is no hotel in the West which we can so heartily recommend to the traveling public as the Spencer of the Capitol at Frankfort. Mr. Place has had much experience as a hotel keeper and well suddralands all the requisites of a first clars house. We are sure that he will make the National is lith at a hotel should be the is an excellent caterer and will straye be formed to he the commondating end attentive to cill the wast and commondating end attentive to cill the

mr. Place has had much experience as a hotel keeper and well understands all the requisites of a first class house. We are sure that he will make the National all that a hotel should be lie is an excellent caterer and will atways be found a commodating and attentive to all the wants and comforts of his guests. The table of the National is not surpassed by that of any botel in the country. The rooms are all well tentilated and conveniently arrenged, and there is no reason why its patrons should not find it one of the most agreeable and best kept houses in the whole country.

The main and the most greeable and best kept houses in the whole country.

1 Word of Alderman resolution was presentall owing C. W. Field Schö for making sewat the fost of flirit street and Gray's alley; the was adopted. Mr Shotwell appeared from the Board of

ch was adopted.

It. Sargent introduced an ordinance to grade
pre the alery between Market and Jeffera.

Fir een to and Sixteenth streets; which
read and inferred to the Street Committee
the Western District. JOINT SESSION.

The two Boards now met in joint session Ams Grifin, superminerary night watches. or, S. ventraistict.
R. H. Crump and G. L. Vallandingham were
ected four i pectors to fill vacancies.
On motion, the joint assign arose.

SPEARATE SESSION.

A resolution was presented from the Board of Alternam making it unlawful for any Railroad in City Tax Collector to advertise for aale any ax bills without hist rubiniting them to the internal Council; which was reterned to the Jeminities on revision.

Mr. Vaughan introduced an ordinance to probbt the erection of woden buildings, which was read and referred to the Revision. Commit-

e.
A Boa d of Aldermen resolution was present allowing Keating & Johnson \$274 for only a gast repearing the Reccue Engine onse, which was adopted.
Mr. Monroe reported a resolution directing a freasurer to report to the tremmon County which there is any money which became in the last six months to the city, which is not been put it and if any, to state by hom due and from the John Committee on reefs reported a resolution directing the ion of the sework sired, across Third street, and to a the dich, so as to lead off the water,
